

## CULT Sport Accessories – Product Label Generator

This tool allows you to automatically generate 50×60 mm barcode/MRP labels for CULT Sport Accessories using data from an Excel file.

The form auto-fills from Excel, previews the label, and lets you download or print high-quality text-based PDFs.

### Features:

- Upload Excel file to auto-fill product details
- Live label preview
- Print single label (50×60 mm)
- Download all labels (one per page)
- Navigate between multiple rows in Excel
- Barcode automatically rendered
- Required Excel Format

Prepare your Excel file with the following exact column headers:

Month and Year of Manufacture
